Seed Collection Data Sheet

To send any seed for our Seed Exchange program, you MUST include a dried pressed sample of the plant with flower & leaf, OR a good color photo of the plant in bloom, and tell us the following information (* means required info; no asterisk is optional info):

*Botanical Name: Family:_____Common Name:_____

*Genus and *Species:_____

*How Identified:_____

*Where Collected:_____*Date Collected:_____

*Plant is: ☐ Annual ☐ Biennial ☐ Perennial ☐ Tree ☐ Shrub ☐ Bulb ☐ Vine

☐ Other:_____☐ Garden Plant ☐ Wild Plant Habitat:_____

Elevation:_____Hardiness Zone or minimum & maximum temps:_____

*Description Of The Plant (please include the following): Height? Flower color? Leaf shape? Soil and shade or sun requirements? Any uses or other notes. (Use back if needed)

If a cultivated plant: *How many separate plants did you collect seed from?_____

*What is your original source for the plant?_____

*How many years have you grown it, and has it stayed true to type?_____

*To the best of my knowledge, these seeds will come true to type, are not patented or PVP protected, and contain no genetically-engineered genes.

*Your Name:_____

*Signature:_____*Date:_____
